

BIO MEDICAL RESOURCES

**SPECIAL
\$7500.00**

The **GE Mac 5500** is capable of handling the highest volume ECG clinics, offering various advanced ECG analysis programs. Using MobileLink wireless ECG solutions, GE's Mac 5500 ECG allows you to collect, analyze, and convey ECG data with accuracy and speed.

In addition, the **GE Mac 5500** includes the following features and benefits:

- ◆ Wireless networking and Ethernet for better efficiency
- ◆ Hook-up detection ensures strong waveform quality
- ◆ One-button operation
- ◆ Gender-specific programs for 12 and 15sl ECG analysis
- ◆ Risk stratification tools, including P-wave signal averaging and ACI-TIPI
- ◆ Bar code scanning reduces clerical errors
- ◆ Stress test ability is optional

Bio Medical Resources is a distributor for GE Healthcare. With over 20 years of experience in the cardiology field, we feel confident we can deliver a solution to meet your facility's performances, productivity and pricing. Call Jamie Franklin at 800-937-9988 to receive a quote, literature or schedule a demo. All units are fully refurbished, come with CAM14, patient cable, power cord and new battery. Each unit comes with a one year warranty.
